Debut Project

Shanghai Poly Center Manor

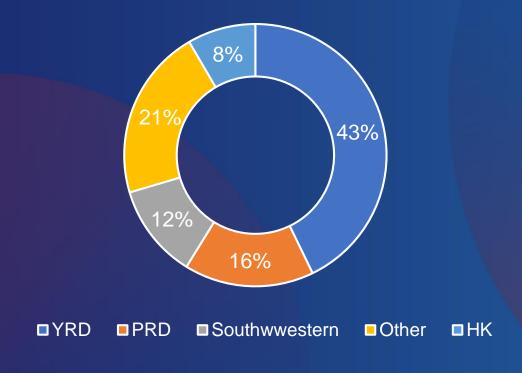

The Project is located in Qingpu New Town, Qingpu District, Shanghai, which belongs to the core area of the central business district built by Qingpu New Town, with high planning level and great development potential. In addition to the existing Metro Line 17, two metro lines will be built in the future. The project is mainly located in residential area, with a planned 12-year school district from kindergarten to middle school, and the living atmosphere and facilities will continue to be improved. The project, with a planned total gross floor area of approximately 604,000 sq. m., is intended to be developed into high-rise residential buildings.

The Group acquired the project in April 2023 and put to the market in November 2023. A total of 324 apartment units were launched and the subscription rate achieved more than 60%, indicating subscription amount of approximately RMB 973 million.

02

Sales Performance

11M2023

As at the end of November 2023, the Group has recorded contracted sales of RMB50.6 billion, representing a year-on-year increase of 12%. The contracted area sold amounted to 2,120,000 sq. m., with average selling price of RMB23,894 per sq. m.. During the period, the contracted sales in Yangtze River Delta and Great Bay Area accounted for 67%. In terms of contracted sales, the top five cities were Jinan, Kunshan, Ningbo, Shanghai and Hong Kong.

There were two debut projects launched during September to November, namely Shanghai Poly Center Manor and Guangzhou Poly Chill Residence.

04 New Project

Jinan Licheng District Project

The project is located in the Tangye area of Licheng District, at the northeast corner of the intersection of Weizishan Road and Century Avenue. It is positioned as a regional center of the city and well-developed. The land is surrounded by mountains on three sides and enjoys exclusive landscape resources of Weizi Mountain. It is a rare low-density mountain side project for upgrade demand within the urban area. The site is surrounded by educational, medical, cultural, and governmental facilities and enjoys convenient transportation.

The project, with a planned total GFA of approx. 80,000 square meters, is intended to be developed into low-rise residential buildings. The Group holds a 51% interest.
